

Dear Mr Barling,

I am impressed with the plans for a skateboard area for Steyning's young people.

I am equally impressed by the youngsters who were at the public meeting on Saturday and feel they really deserve the facility.

I was sad at the negative attitude of some of my contemporaries toward children in general.

I would like to make a modest contribution to the project (I would love to donate more but my income is not very big!) and enclose £50.

With best wishes

A Steyning pensioner.
