

MEETING WITH STEYNING CHAMBER OF TRADE – NEW OFFICERS

David Barling, Tim Lloyd and Sue Rogers have now met with the new Chair and Vice-Chair of Steyning Chamber of Trade, Julie Belton and Dean Hayson. We were pleased to learn about Julie and Dean's intentions to expand the membership of the Chamber of Trade, in particular, by encouraging all types of businesses to join the Chamber, and to take a more active role.

Julie would be keen to meet any new prospective members and can be contacted at her office in the High Street, or by emailing her on steyningcot@btinternet.com.

At our meeting both parties expressed their wish to work closely together, as we have done in the past, and to take an interest in each other's activities.

The Parish Council is keen to work with the Chamber to encourage business and employment in the Steyning area, and will continue to hold regular meetings with them for this purpose.

David Barling
Chairman Steyning Parish Council
