

PARKING ENFORCEMENT IN STEYNING HIGH STREET

The Parish Council Highways Committee has long been receiving many representations from members of the public about illegal parking in the central part of the High Street, which has the effect of blocking traffic and causing considerable disruption.

Blue badge holders are legitimately entitled to park but obstructions are caused because other people who are not entitled to park on yellow lines, also park cars, albeit for short periods.

At our recent Highways Committee Meeting the Head of Parking Enforcement for Horsham District Council, Tina White, came and gave us some statistics for visits by the Parking Wardens. A chart appears below comparing Steyning and Storrington and giving considerable information about the Parking Enforcement Department.

We are grateful for the attention given to Steyning by Horsham DC, but more needs to be done in order to resolve this unfortunate situation but without any detriment to shops and businesses along the High Street.

David Barling
Chairman Steyning Parish Council
