

CHAMBER OF TRADE MARCHES ON

The Steyning and District Chamber of Trade now chaired by Julie Belton, is moving forward with its recruitment programme and attracting new members not only in Steyning itself but also in Bramber and Upper Beeding and Small Dole.

The chamber intends to get a wider membership and also to promote its new website.

The chamber will be launching its new website on Tuesday 2nd October starting at 6:45pm at the Old Tolgate, Bramber. This is open to anyone. It will be preceded by an EGM but that is for Chamber members only.

We have met with Julie and Dean from the Chamber of Trade (we hold these meetings regularly) and have exchanged various views on matters of joint interest. The Parish Council wishes to give as much support to the Chamber of Trade as it can.
