

FIRE STATION OPEN EVENING

A really good time was had by all at the fire station open evening on Monday 17th September. Several fire engines from the surrounding locality were present together with exhibitions and demonstrations of fire fighting techniques.

We were really pleased that so many Steyning residents turned up (both young and old) and this is a testimony to how well we regard our local retained fire fighters led by Danny Flynn.

There is still a vacancy available for local retained fire fighter and if anybody is interested in this very worthwhile part time occupation would they please contact Maisie.rundkin@westsussex.gov.uk. Maisie is the deputy district commander of the Horsham District Fire Brigade.

We understand that two local people are well on their way to qualification as retained fire fighters in Steyning and should soon be joining the brigade here. We wish them well.

David Barling
Chairman Steyning Parish Council
