

## Unlawful Parking in Central High Street

If late, the Horsham "Street Scene" wardens have been carrying out regular patrols, virtually on a daily basis in the central part of our high street to try and deter unlawful parking on the double yellow lines which has the effect of causing a traffic blockage. This is one of the major complaints people have locally.

The Street Scene wardens will be coming to the Steyning Parish Council meeting on Monday 14<sup>th</sup> January to address us on how they are progressing and to answer any questions that either council members or members of the public may have on this subject. All are welcome to the meeting which commences at 7:30pm.
