

Could the Neighbourhood Wardens service help you?

The Neighbourhood Police Panel and the Neighbourhood Wardens are promoting the services that they provide in Steyning, Bramber and Upper Beeding during inclement weather.

The service could include collecting prescriptions', urgent shopping if you are isolated and unable to get help from relatives or friends in severe weather conditions or simply just to be contacted to ensure that you are ok.

If there are times when you may find yourself in a vulnerable situation and think you may need some assistance and you would like to be included in this service please contact the Wardens on 07734387889 or 07734387888 or alternatively you can contact Hazel at the Steyning Centre 01903 812042 with your details.
