

BUS INFORMATION DURING THE CLOUSER OF THE STREET, BRAMBER

Whilst the works are taking place in Bramber, buses are not able to serve their normal routes. Arrangements have been made with Brighton & Hove Buses and Compass Travel for passengers to be able to travel from temporary bus stops near to The Rising Sun junction.

- During the day passengers travelling to and from all stops to Brighton will be able to travel on the route 100 to Steyning, free of charge, and connect onto the Brighton & Hove route 2
- During evenings and Sundays Compass Travel will run a free shuttle service to and from Steyning, to connect with the Brighton & Hove route 2
- The works will not allow The Street, Bramber to be served. A temporary stop will shortly be in place on Clays Hill, just to the west of the roundabout which will be served by both route 2 and route 100.
