

Book Your FREE Green Doctor Energy Visit for a Warmer Home Now!

An energy efficient home will help keep you warm and healthy, and save you money on your energy bills.

Horsham District Council is working with Groundwork (an environmental charity) to offer eligible Horsham District residents a FREE Green Doctor energy visit. A qualified Green Doctor Energy Advisor from Groundwork can visit your home to show you some simple energy saving changes you can make to keep warm in the cold weather.

What we can offer for FREE:

- ✓ Practical energy saving advice from a qualified Green Doctor Energy Advisor.
- ✓ A range of FREE energy and water saving devices suitable for your home
- ✓ An eligibility check for heating and insulation improvements to your home.
- ✓ A check to see if you are eligible for any further support. Making sure you are getting the help you need to save money on your energy bills, and live in a warm, healthy home.

Green Doctor Service Testimonial:

Mrs Godby's praise for the Green Doctor home energy service:

"The Green Doctor who came to visit was both pleasant and informative and really helped me understand how I could save energy. I was given some excellent advice about accessing grants for a new boiler. The whole experience was really useful".
