

The proposed works is for patching repairs though out each road in preparation for surface dressing, to seal the road surface later in the summer. I have attached some maps showing the extents of the roads that will be treated for your information.

During the works a road clousure with a signed local diversion will be in place between the hours of 09.30 & 15:30 for both roads. Bostal Road, is scheduled for the 13th February and Newham Lane should start on the 16th February.
