

## TESTAMENT OF YOUTH

Rising star Alicia Vikander leads an outstanding cast in Vera Brittain's much-loved memoir of love and war. Bright, spirited young feminist Vera Brittain (Alicia Vikander) has her whole life ahead of her in the spring of 1914. She defies the wishes of her conservative parents (Dominic West, Emily Watson) to seek a place at Oxford. But her dreams are shattered by the outbreak of WWI. Her brother Edward (Taron Egerton) and their friends Victor (Colin Morgan) and Roland (Kit Harington) all enlist. So Vera sacrifices her education to become a nurse, falling urgently in love with Roland as war engulfs their generation. One of the defining memoirs of its time, Britain's powerful and personal witness testimony has touched the hearts of millions
