

Neighbourhood Plan update

Thank you to everyone that came to the Public Consultation Events on 16th and 23rd January at the Steyning Centre, both were very well attended.

There is still time to fill in the feedback and comments forms, the PDF's are available below, the closing date for the return of the forms is 9am on Monday 1st February. The members of SWAB Neighbourhood plan value your feedback.

The potential sites are now available to view on the Neighbourhood plan website - <http://www.swabneighbourhoodplan.org>
