

# Please help us to recycle more

**We need  
to meet the  
national recycling  
target of 50%  
by 2020**

**By increasing what we recycle we reduce  
the amount of waste sent to landfill and  
help to protect the environment**

With your help we know we can meet the national recycling target

Find out what you can  
**reduce, re-use and recycle**
