Date: 7 January 2020

### Site: Fascias and Gutters

Changing rooms at Memorial Park – source and collect all materials  
Gutters need emptying out to Club side and rear (quite bad), downpipe is blocked (needs cleaning out), other downpipe is fine  
Also, 2x gutter leaks on corner brackets – might need to replace one  
Dispose of all waste and leave site tidy

Fascia boards are in good condition and if painted would not be in-keeping with building

|           |         |
|-----------|---------|
| Materials | 15.00   |
| Labour    | 120.00  |
| Total     | £135.00 |

### Bus Shelter in High Street

Source and collect all materials

Front – clean out gutters, replace broken gutter joiner (leaking), push back up tiles, both downpipes clear

/cont'd ...

Back - level out guttering and fixings, fit new downpipe, draining off onto pavement and road (car park).

Make repair to fascia – coming away from soffit – touch in

Dispose of waste and leave site tidy
