Abbey Road Proposed Hedge rows

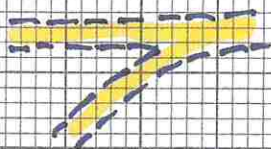

Key to Sketch Map

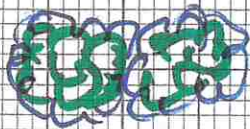

Hedge - 1 metre wide -
to be planted 2m. in from pavement

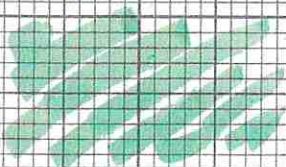

Tarmac pavement, east
side of Abbey Road

Footpaths (mown/trodden)

Trees

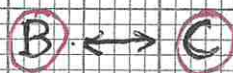

Open grassy areas

- (A) Northern end of hedge to Finish
~ 2 metres south of "Abbey Road" sign (I)
- (B) Lamp post
- (D) Bench - hedge to finish 3 metres north
of it (C) and restart 2 metres south (E).
- (F) Southern end of hedge
- (G) Green cabinet belonging to Southern Water.
- (H) Green cabinet belonging to British Gas.
- (I) "Abbey Road" sign

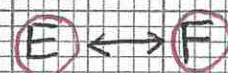

Approximate lengths of proposed hedge:-

12m

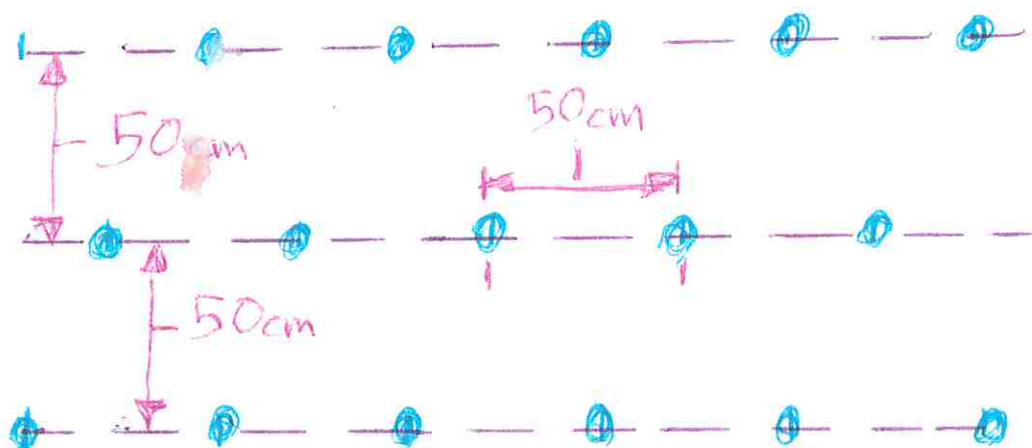

12m

20m

Total length of hedge = 44 metres

To plant triple rows
with tree saplings 50cm
apart, we need 7 plants/metre

Therefore 420 plants could
cover approx 60 metres
of hedgerow.
