9 Concerning Steyning Area Youth Service 24 August 2016

Request

In November 2015, without explanation, the SAYS Management Committee agendas and minutes ceased to be uploaded to SPC's website … This leaves a gap in the record between November 2015 and July 2016. It is also often hard to understand minutes if the agenda to which they refer is not available. For this reason please treat this as an FoI request for :-

the SAYS Management Committee minutes and agendas from November 2015 to July 2016, preferably by uploading them to the appropriate page on SPC's website.

Response 18 November 2015

The SAYS Trustees minutes of 28th October have been agreed at the Trustees meeting this morning, and I have uploaded them accordingly.

The minutes of this morning's meeting and of the Management Committee meeting of 4th November will be uploaded when approved.
