

Allotment Report December 2020

Item 10.2.2

The Allotments are now into the quieter winter season.

Of the 158 plots available we now only have 0 vacant plot available at Rublees and 0 plots at Canada Gardens.

Our waiting list currently has 0 applicants waiting for plots to become available.

There are 2 piles of rubbish and vegetation which have been created by tenants on both sites, we have put up notices asking that no further waste be dumped in these areas.

Steve our caretaker continues to attend the allotments to trim and tidy the communal areas.

We also continue to advise on social distancing measures at the allotments and encourage all to be alert whilst attending the site.
