Important Note Re COVID-19 Outbreak.

Please Note:

Re Government Advice imposing lockdown. Paul Worked from home the first week in April and then was on leave from Good Friday and returned on April 20th. Mike was in self isolation for the first week in April and also had a period of leave from the 6th of April until Wed 15th April.

Our current observation is that the majority of residents are complying with Social Distancing. There is a significant reduction in activity and presence across all three Communities.
