

Allotment Report February 2021

We are happy to confirm that we currently have all allotment plots allocated and a waiting list of 5 applicants.

The allotments are quiet during the winter months but with much hope for the end of the lockdown and some warm spring weather to motivate everyone into growing some good crops for the coming year.

Steve our caretaker continues to attend the allotments to strim and tidy the communal areas and to report any issues that may arise.

We also continue to advise on social distancing measures at the allotments and encourage all to be alert whilst attending the site.

John to organise skips for each Allotment for March/April as per annual 'clean up'

Two emails & one letter sent out to plot holders this month to remind them that their plot needs some attention (the sites having been inspected) in terms of a need to keep on top of weeds and ensure 75% cultivation.
