

Trade Waste Bin - emptying costs

Item 9.2

Briefing note

Hazel completed a check on service costs for waste bin emptying, going first to a price comparison site to narrow down the choice of operators.

The best price by way of a direct comparison is that of a company called Cheaperwaste.co.uk

See table of comparison below

HDC- Existing service per weekly collection of 5 Bins – prices noted are per bin empty

1100 litre general waste bin	660 litre recycling bin	Duty of care waste transfer cost
£16.00 (No VAT)	£9.95 (No VAT)	Annual fee - Nil

Cheaper waste – 5 bins to be collected – prices noted are per bin empty

1100 litre general waste bin	660 litre recycling bin	Duty of care waste transfer cost
£13.50 (£16.20 inc. VAT)	£8.59 (£10.30 inc. VAT)	Annual fee - £96 + VAT

Total savings might be £9.44 per week however HDC offer a lot of flexibility in terms of preferred pickup times and bin access arrangements which is important when considering accessibility at the MPF car park or considering the use of the Steyning centre adjacent bin compound for nursery play. Other considerations are that in keeping with HDC we are supporting our local council service. The terms of payment are easy and the service itself has over many years been reliable, trustworthy and most importantly accountable.

Waste Removal Quote Report.

11th Feb 2021

We have Corresponded with 5 other waste removal firms for quotations for The Steyning Centre and the Memorial Playing Field and asked about whether their waste was taken to incinerator or land fill, as well as discussing their ability to cope with having dog waste in the mix.

The results are as follows.

Sussex Waste – Have not replied.

Bin and Gone – Have not replied.

Grundon – Refused the contract as vehicles too large for access to memorial playing field.

Business Waste –

2 x 1100 Litre (General Waste) Collected Weekly = £ 16.00 + vat per empty.

1 x 660 Litre (Mixed Recycling (Paper Card Plastic Cans)) Collected Weekly = £ 9.50 + vat per empty. Unfortunately, they are only able to service; Steyning Parish Council at The Steyning Centre BN44 3XZ

The other site; Memorial Recreation Ground - off Charlton Street BN44 3LE due to access and the waste stream we would not be able to offer a service for this.

Biffa – Would not quote for Memorial Playing field as they do not handle dog waste mixed with rubbish.

Waste Collection Address The Steyning Centre, THE STEYNING CENTRE, FLETCHERS CROFT, STEYNING, BN44 3XZ

Contract Term Our standard contract has an initial 12-month term, plus a notice period. Extended terms are available if required.

Total Weekly

Price

1 General Waste 1100L CONTAINER 2 Weekly 65kg £12.54 £0.14 £1.55 **£28.59**

2 Mixed Recycling 660L CONTAINER 1 Weekly 45kg £7.67 £0.10 £1.55 **£9.92**

WEEKLY £38.51

NB - None of the service operators have said they can remove to incineration – ALL are land fill.

The nearest incinerator is apparently near Newhaven and is operated by East Sussex
