National Walking Month

May is National Walking Month and we would like to encourage local people to enjoy the health benefits of walking at the same time as exploring the District's breath taking scenery.

To celebrate the month, we are sharing a series of virtual walking videos highlighting some of the District's 'must try' walks.

The first video is being shared today on our [YouTube channel](#). Make sure to subscribe to our channel to get notified when the next video comes out.

An update on the exciting refurbishment of Horsham Museum

While Horsham Museum & Art Gallery remains closed to the public, lots of work is going on behind the scenes to make this treasured local venue fit for the future.

The team have been working on the new object displays. [Read our New Themes blog post to find out more about what's to come.](#)

After laying hidden for at least 50 years, the refurb has [revealed the original flagstone flooring at the back of the museum.](#)

The Albery display has been removed and put in storage, [take a look back on the history of the collection.](#)

Green grants help fund Eco Station

Funding from our Community Climate Fund initiative will benefit an exciting local outreach project to create a mobile educational Eco Station. 🌍🚌

Local charity Sussex Green Living applied for a grant from the Council's Fund and successfully received £5,000 to get their Inspiration Eco Station on the road.

Volunteers at the multi-award winning Sussex Green Living have created a unique environmental outreach project using a refurbished 1974 milk float.
