Good Afternoon,

Further to our engineer's visit to your CCTV System, he has made a note on the Service Report that you require a quotation to replace the monitor that is failing with a new 21" BNC monitor.

Under your current Maintenance Agreement and the discount that it provides, the cost to supply and fit a replacement monitor amounts to £270.00 plus VAT.

If you would like to go ahead with this work, email back to us at orders@kestrelalarms.co.uk

Upon receipt of your acceptance, we will contact you to arrange a convenient appointment for the work to be carried out.

If you have any queries, please do not hesitate to contact me at the office.

Kind Regards
Becky
