

Allotment Report June 2021

We are happy to confirm that we currently have all allotment plots allocated and a waiting list of 9 applicants.

We have sent 3 cultivation emails to plot holders who have not been attending their plots. These plots have now been attended.

We are currently in the process of addressing further untidy plots on both sites and will report progress in the next report.

There have been eight skips delivered to both sites with seven having been collected with only 1 small skip relocated to the Mill Road end of Rublees still to be picked up.

Steve our caretaker continues to attend the allotments to trim and tidy the communal areas and to report any issues that may arise.

We also continue to advise on social distancing measures at the allotments and encourage all to be alert whilst attending the site.
