

Briefing Note – Pizza Van request

Item 6.3

The Pizza Van which had been given permission to park and serve at the High Street Car Park each Friday was invited to attend the MPF instead by the Cricket Club.

The office found out about this sometime after they had begun this service, and we called their contact number to say they needed permission from the Parish Council.

They said at that time, that they would likely only be there one more week and we said that therefore there was no real issue.

Subsequently the Cricket Club asked them to stay.

We found out that they were still regularly visiting the MPF and contacted once again. The email request below is the result.

We need to agree or otherwise to their using the MPF Car Park as requested please.

Subject: car park

Dear Hazel

Further to our conversation can I please request that the Pizza Oven van can use the Cricket Club Car Park on a Friday evening rather than the village car park. Its of great benefit to us and also the cricket club, also we get there and its easier to park, we always have great trouble parking on a Friday in the other one. I hope this will be ok by everyone.

I look froward to hearing from you.

Kind regards

Lisa
The Pizza Oven
