

Allotment Report July 2021

We are happy to confirm that we currently have all allotment plots allocated and a waiting list of 6 applicants.

We have sent 8 cultivation emails to plot holders who have not been attending their plots. As a result, we have had 2 plots given up and we are still in the process of monitoring the other plots.

We currently now only have 1 skip left at Rublees which is now full, and collection has been requested.

Steve, our caretaker, continues to attend the allotments to trim and tidy the communal areas and to report any issues that may arise.

We also continue to advise on social distancing measures at the allotments and encourage all to be alert whilst attending the site.
