

Allotment Report August 2021

We are happy to confirm that we currently have all allotment plots allocated and a waiting list of a further 6 applicants. We have potentially 5 plots pending to be given up and then these plots will be offered to those on the waiting list

We have sent 9 cultivation reminder emails to plot holders who have not been attending their plots. As a result, we have had 1 plot given up and another made into half plot.

Annual Rent Invoices / Plot rental increase notification letter and the new Allotment Agreement have been sent out to all SPC plot holders and we have started receiving a number of signed agreements with payments or payment notifications on a daily basis.

Steve our caretaker continues to attend the allotments to trim and tidy the communal areas and to report any issues that may arise.
