Subject: Re: Steyning road verges

Dear John,

My deepest apologies for the below email. I have just noticed that, during sending, it appears to have become almost illegible.

I was emailing to confirm if the below pictured verges were the ones you mentioned during our recent meeting and if so if you feel that the Parish Council would be open to Greening Steyning working with WSCC to rewild these two small verge sections?

This would mean that the verges were left until October for their next cut and then only cut annually after that, with the cuttings being removed by GS volunteers.

We would really welcome your thoughts on this and how you would advise we move forward with this project in Steyning in a way that brings the PC and the community along with us.

All the best,

Laura

Hi John,

I hope that this email finds you well and enjoying the sunshine.

It was fantastic to meet you a few weeks ago at Chandler's Way Park. Ronnie, myself and the rest of the Life on the Verge group
john.fullbrook@steyningpc.gov.uk met recently and talked about the verge you mentioned on Shootings Way
