We've already received 291 donations over the past few weeks, which has far exceeded our expectations. Thank you so much to everyone has donated: you've diverted nearly 4 tonnes of landfill from the tip!

Our Reuse Hub in the Park and Ride at Hop Oast Horsham aims to capture items of furniture that were originally destined for waste at the Household Waste Recycling Centre next door.

The Hub is a great way to reduce waste, as well as support those who are less able to purchase brand new items. Keeping good quality products in active use for longer preserves natural resources and reduces carbon emissions from new product manufacture and distribution.
