Subject: Defibrillator at SCC

Item 9.1

From: Paul Shippam <Sent: 01 February 2022 15:20
To: John Fullbrook <**Subject:** Fwd.: Defibrillator at SCC

Hi All,

I'm really delighted to let you know that the long awaited defibrillator at MPF is now fully installed and operational. Many thanks to our friends at Steyning Area First Responders (SAFeR) who facilitated this and to Wilson Memorial Trust who funded it. The box is installed next to the main club house doors.

I'm meeting with SAFeR later in the week to agree signage. Delighted to see this project complete!

Cheers,
Paul
