

Allotment Report March 2022

We are happy to confirm that we currently have 5 allotment plots available across both sites and no waiting list at present. As we come into Spring, I am sure we will start to get plenty of enquiries

We have sent 10 cultivation letters in March and are now stepping up inspections to ensure plots don't get overgrown as the Spring growth gets into full swing.

The annual skips have been filling up quicker than expected so we have arranged them to be replaced twice already with the extra skip at Mill Road being delivered early in April.

The Bon fire heaps are also beginning to take shape as well.

Steve our caretaker continues to attend the allotments to trim and tidy the communal areas and to report any issues that may arise.
