We hope you are all looking forward to the talk to be given by **Charlie Burrell** about the **Knepp Wildland Foundation Charity** on **Friday 20th May at 7.00pm for 7.30pm** at the **Steyning Centre**, hosted by the **Steyning Society**

In a recent article in the Observer, **Charlie and his wife Isabella Tree** said,

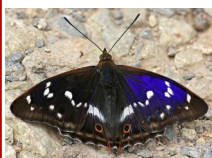

"The first thing is to **GO CHEMICAL FREE, CUT OUT HERBICIDES AND PESTICIDES**. We need to restore our soils and wetlands, sequester carbon to prevent floods. Having rewilded areas around towns and cities can act as the lungs to filter and clean air. It will also give us a bonanza for wildlife, for insects and birds."

## NEWS FROM THE WOODLAND TRUST

**Darren Moorcroft** their **Chief Executive** says, "Farmland covers 70% of the UK, and the Trust has ample evidence of how much trees can achieve there when cannily placed." They are leading a drive to plant 70 woods UK-wide as part of the [Queen's Green Canopy](#) initiative.

As you know **SFT** has been taking part in this as well **with the support of Steyning Town Community Football Club** where we have planted 2 hedgerows and will be planting a 3rd later this year with the help of the Primary School children.

The **dramatic [Wester Ross](#)** glen will be **transformed for wildlife** courtesy of £770,000 from the public appeal by the Woodland Trust.

"When it comes to **community planting** it doesn't get much bigger than a tree for every family in the country" so says the Trust director in Wales after the Welsh Government partnered with them to offer a free sapling to [every household in Wales](#). The Minister says "**Trees are amazing but we haven't planted enough of them in my lifetime**". **SFT** will be paying for more **trees to be given out free at the Steyning Farmer's Market in October** for your gardens.

[HS2's Crewe to Manchester](#) line is set to **directly damage** 18 ancient woods.

**SFT** still maintains links to the **WSCC [Donate a Tree scheme](#)** so **please remember to let us know** if you are interested in a **TREE FOR YOUR VERGE** by end of May - telephone 01903 816726, or email [SteyningForTrees@gmail.com](mailto:SteyningForTrees@gmail.com).
