Support Steyning Food and Drink Festival

The 11th annual Steyning Food and Drink Festival starts on September 3 and promises four weeks of special offers, great events, and a big celebration of the village's food and drink sector.

Horsham District Council is one of the festival sponsors and a wide range of Steyning's local businesses have got involved: it's been a fantastic community effort to get everything ready and we're encouraging all Horsham District businesses to get down there and show your support.

Local initiative sponsorships are just one of a range of methods the Economic Development team occasionally use to support local business and encourage residents to Buy Local. For more information about our sponsorship activity, email business.development@horsham.gov.uk.

Have your say on Your Southwater Country Park

Tell us what you think of Southwater Country Park in the Council's new Your Southwater Country Park survey.

Whether you're a regular visitor or a local business owner, we want to get a better understanding of what people love about the current park and what they would like to change. We want to understand our residents' and visitors' aspirations for its future.
