

High St Car Park Concessions stall permissions request

Briefing Note

We received the following request from HDC for support or otherwise for this concession stand in the High Street Car Park.

Dear all

HDC has been approached by the business below:

www.thesussexpeasant.co.uk

They are enquiring as to whether they can operate out of the High Street Car Park on a Sunday. We don't have any details of hours of operation, possible concession income, or exact amount of space required yet, but wanted to get your general thoughts on this as a principal, before we reply to them formally.

If you could copy in all above to your reply, that would be really helpful, and I will collate the comments for my property and car parks colleagues.

Many thanks

Lynda
