

SPC Tree Works – Quotes to be agreed please

Works 4 – Cripps Lane

There is only one quote noted below. We use the company often and they have proved to be reliable, of decent standard, local, and relatively cheap. Because of the nature of the scope of works involved, I do not believe there is a need to search for another quote to gauge a cost comparison.

Details of the scope of works follows this front page and was supplied as per within the 2022 Tree report compiled by Gale Tree Consultancy

Quote

Cripps lane works	1.00	280.00	20%	280.00
- Portuguese laurel fell and remove.

A site plan map showing a residential area. A road labeled 'Cripps Lane' runs diagonally from the bottom left towards the top right. To the right of Cripps Lane, there are several rectangular outlines representing buildings. Four tree locations are marked with black dots and labeled: 'T8/325' is near the bottom left of the building area; 'T7/324' is slightly above and to the right of T8/325; 'T6/323' is further up and to the right; and 'G2/319' is located on the right side of the map, near a road labeled 'Jarvis Lane' which runs vertically. The label 'G2/319' is highlighted in yellow. A north arrow is located in the top right corner of the map area. Dashed lines indicate boundaries or paths.
