

Briefing Note

Item 6.7

I have reserved two places for the workshop noted below.

The suggestion would be that Roger Brown goes as one of our delegates, and then we have one space – (I have suggested Richard Bell considers it), but I would like your approval for both or perhaps a Community member might also be interested in going.

Either way we need to agree to two reps please.

Dear all,

Following our prior emails inviting you to join us at the Wilder Horsham District Parish and Neighbourhood Councils workshop, we would now like to share with you the final agenda for the day.

[Wilder Horsham District](#) is a partnership project between Sussex Wildlife Trust and Horsham District Council, working to help develop and deliver a Nature Recovery Network for Horsham District. This workshop will be an opportunity for you to learn more about the project, and more importantly gain practical information on and support for actions that you can take in your areas to contribute to the Nature Recovery Network and help your local wildlife thrive. As well as a range of speakers, there will be group discussions led by specialists on key topics, offering you the opportunity to ask questions and develop any project ideas you may be interested in. Please see the attached agenda for more information of the talks and breakout groups.

The workshop will take place on Thursday 9th February 2023. The session will be held at the Ashington Community Centre in Ashington and will run from 10 a.m. (with arrival from 9.30) until 4.00, with drinks, snacks and lunch provided.

In order to offer you the maximum value from the workshop, we have also created and attached a list of potential project ideas that your Parish/Neighbourhood could engage with. Before the workshop, we would appreciate it if you could read through these ideas, and make a note of any that might interest your Parish. **If any ideas are of particular interest to you, please let us know before the event so enable us to better help you develop ideas you are most interested in.**

Thank you to all of you who have confirmed attendance. **For those of you who haven't yet replied, this is the final call to register your place. Please let us know by the end of the week (Friday 27th January)** if you would like to attend so we can provide food for you. Each Parish Council is allocated two spaces, but if you would like another space please let us know. These spaces can also be filled by a non-councillor Parish Council endorsed attendee (such as a member of a local community group) if you wish.
