scheme - Public Consultation 6 February

Good afternoon

I'm writing to update you on National Highways proposals for the A27 Worthing and Lancing improvements scheme.

We've been working on a number of options that will help to increase capacity and reduce congestion along a six mile stretch of the A27. On Monday 6 February we will be launching our public consultation and would like to hear your feedback on our proposals. Your comments will help us better understand the local area and any potential impacts our scheme may have on the community.

The options consultation will run for six weeks between Monday 6 February and Sunday 19 March 2023. To launch this consultation, I would like to invite you to our opening event with the option to attend a private preview event in the hour prior to the event opening to the public:

Tuesday 7 February

12pm – 1pm: private preview event

1pm – 7pm: open to the public

The Assembly Hall, Stoke Abbott Road, Worthing, BN11 1HQ

Once the consultation is live, you'll be able to find out more information about the scheme, view our consultation materials and find locations of our other in person events via our website: www.nationalhighways.co.uk/a27-worthing-and-lancing-improvements.

I would be happy to organise a virtual meeting for you to meet my project team to discuss the options in greater detail. Please contact me on the following email address and I'd be happy to find a date and time:

A27WorthingandLancingImprovements@nationalhighways.co.uk

Kind regards

Cat van Doorn
