Digital parking permits to be introduced for Controlled Parking Zones

New online on-street parking permits will come into operation in the Horsham and Billingshurst Controlled Parking Zones in July.

Digital (virtual) parking permits are already in place at many car parks across Horsham District, as well as in other areas of West Sussex. From July 2023 digital permits for Horsham's Controlled Parking Zones, including resident, visitor and trader permits, can be purchased.

You can wait to do this until your resident permit expires or you run out of visitor permits, or get ready for the change by setting an account up now.
