

A Warm Welcome to Beth!

A very warm welcome to Beth Priest, who joins the Steyning Downland Scheme this week as our all-new Youth Engagement Worker!

Enaging young people in nature and the natural world has always been a top priority for the SDS, but with a lot of plates spinning, this vital work hasn't always had the attention it deserves. Now, thanks to very generous donations from the Wilson Memorial Trust and the Nineveh Trust, all that is about to change.

Beth will be working with us three days a week and will be

contacting local schools and other groups who work with young people locally to develop a programme of nature-oriented activities (*no pressure Beth!*). Meanwhile if you'd like to volunteer or work with Beth, just use SDSYouth@wistonestate.co.uk.
