

Section 3 - External Auditor Report and Certificate 2021/22

In respect of

Steyping Parish Council

1 Respective responsibilities of the body and the auditor

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it does not provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2022; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors

2 External auditor report 2021/22

Except for the matters reported below on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with the Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The Council has answered 'Yes' to Box 4 of Section 1 of the Annual Governance and Accountability Return which relates to how the Notice of Public Rights was advertised within the financial year 2020-21. Therefore, it relates to the Notice announcing the public right to review the 2019-20 return which was published during 2020-21. As noted in our Auditor Report last year, this notice was not correctly advertised therefore this question should have been answered 'No'.

Section 2 does not appear to properly reflect the council's annual share of income and expenditure in relation to the Joint Cemetery Committee. The council prepares its accounts on an Income and Expenditure basis. Therefore, whilst the current year box 7 figure appears to be correct, the current and prior year figures should reflect the authority's annual entitlement to its share of income and expenditure within boxes 3 and 6. The authority's opening share of the balance should have been introduced within box 1 for the comparative year with an appropriate explanation for the change from the AGAR figures submitted last year. As timing precludes correction of this matter on the 2022/23 AGAR, we would anticipate that the 2023 figures within boxes 1,3 and 6 of the 2024 annual return will be revised as necessary to reflect this.

Other matters not affecting our opinion which we draw to the attention of the authority:
