**Become a Friend and
enjoy special events and
priority booking!**

Our main programme of events for 2024 may be drawing to a close, but we still have a treat in store for Friends of the Steyning Downland Scheme - a late summer evening stroll on Friday 20th September, to discover some of the unknown gems of the nature reserve.

It's not too late to join the Friends, and enjoy this event, plus priority booking for all events from this autumn, including the ever popular Christmas Wreath making.

For a modest monthly donation, you can become a Friend and make a vital contribution to restoring a haven for wildlife and people. We have lots of exciting plans for the future, from encouraging more young people to get involved, to creating a new base and visitor centre, but we will only be able to make this a reality with the support of our local community.

[Join The Friends Today!](#)

If you're already a Friend, thank you so much - your support is invaluable. For example, you may have noticed that some previously mud-prone paths on the reserve have recently been reinforced with a chalk surface. Part funded by the Friends this has improved footpaths for everyone who walks on the reserve.

If you're considering whether to join, you might be interested to know that £3 a month from another 100 Steyning households would literally double the amount of money we are able to spend on maintaining and improving the land each year. Now that's really making a difference!

As a Friend you will enjoy:

- Exclusive Friends events
- Priority booking for our public events programme (from this autumn)
- Friends hands-on volunteer days
- A quarterly e-newsletter with details of how your support is making difference
- And more developments down the line ...

Join The Friends Today!

We're looking forward to welcoming you soon - and If you have any questions, do please contact Debbie, our Friends Co-Ordinator at: sdsfriends@btinternet.com
