## Briefing Note

## Item 6.3

The Steyning for Trees Group were given a special award from the Queens Green Canopy Organisation which SPC helped them celebrate and the donated Tree was duly planted (pictured below)

It does lack protection around the base and although the Group are busy funding a plaque to go with the installation, they have asked if we could contribute with a grant of £120 for the purchase of a 'Half Tree Guard' as pictured here :-

The formal letter of request is noted here: -

*Dear John,*

*Many thanks for the support of the Parish Council during the Queen's Green Canopy events. We would also be very grateful if the Council would consider funding us for a black tree guard like the one attached, to highlight and protect our Tree.*

*With best regards to you all,*

*Jo Gordon (Co-Chair)*

*George Gordon (Treasurer)*

## Briefing Note

## Item 6.5.1

**To discuss and agree the SPC Consolidated budget for the next financial year.**

After the last F&GP meeting I sent out the following email to all SPC Councillors but especially those who were members of the F&GP and Premises Committees. Unfortunately, the response has not been very positive. Therefore, we will need to discuss and conclude the matter at this meeting, so that we can make a recommendation as to our Precept request to HDC, to the next Full Council meeting.

There follows the SPC Draft Consolidated Budget for 2023/24, see supporting paper 6.5.2 and for information only there then follows the agreed draft budgets for all the SPC Committee's under paper 6.5.3.

Please see attached the draft minutes from Tuesday night's meeting for your information.

Regarding the agreement under item 37.5 – as follows.

*Cllr Lloyd **proposed, seconded** by Cllr S Alexander that F&GP committee recommends to Community and Premises Committees that F&GP are preparing for a 2% increase in the precept and that those committees should look to reduce their costs and that F&GP committee will consider these at the next meeting. **Agreed***

To facilitate a reduction from the current consolidated draft figure of a 4.44% precept rise and bring it down to a 2% rise (which in effect would mean us reducing the precept increase request down from £14,737 to £6,640), I have been reconsidering the budgets for each committee.

In terms of the Premises committee, I can really only see one line that we should return to, and that is the Steyning Centre 'Depreciation cover' which was put into place for the first time during the last budgetary round for I believe very good reason. It amounts to £5,000 and I would not be suggesting it is removed from the list and forgotten – my suggestion would be that F&GP agree to instead move £5,000 from General Reserves and into this Earmarked Reserve to fill the gap for this year. (When we discuss this next at committee).

This would then leave us with only £1,640 to find from the Community Budget figures, and if for instance we were to say take this amount from 'Tree Reports and Essential Works' (taking it from £6,000 down to £4,360) for next year and if needs be again turn to general reserves and bolster the Earmarked reserve amount for Tree works – provided it is for a particular scope of works ( and as per my suggestion at the F&GP meeting) – then it is entirely possible.

This then could all be agreed at the next F&GP meeting – which would give the resultant and required precept increase of the target 2%, as per specified above.

***What I would like please is some input from Premises and Community Committee members for their liking or not of this idea and any other comments (regarding this matter only please)***
