Dear Greening Supporters,

Our June newsletter sent yesterday had a date error for **Give Your Stuff Away Day** which is actually on Sunday **6th** July.

For your convenience we are re-sending the email with all events and details now correct.

Best wishes,

Geoff, Co-Chair, Greening Steyning

Steyning's Secret Garden

We're excited about this rare opportunity for a tour in the walled garden at Wiston House. Not least because of the cream tea that's included!

You may already know the talented horticulturalists "The Secret Garden – Steyning". They've recently taken over the space and are using it to cultivate cut flowers with no air miles, no chemicals, and no plastic wrap. You can see how beautiful their work is on their [Facebook Page](#).

For a special glimpse behind the scenes and to see how it's all done, join us on the tour of this lovely historic garden.

Tickets are £10 (including cream tea) and the tour starts at **3pm, 13th July**. Numbers are limited, and booking closes on 8th July so don't delay!

The full details of where to meet and what to expect are on the booking page. Click the link below to find out more and buy tickets.

The biotech box lent to us by **Weald to Waves** has been busy capturing information about the wildlife in our neighbourhood.

On **June 21st** we're running another hands-on nature spotting experience, this time at the **Abbey Road Conservation Area**. There will be a wildlife trail, bug hunting and games. A great opportunity to enjoy this lovely, quiet area just on the edge of Steyning which is a haven for wildlife.

Our first **Bug Hunt** in partnership with the Steyning Community Orchard took place last month and was enjoyed by all ages.

We've also been sharing photos of the wildlife we've recorded on Facebook and Instagram using the hashtag **#BiotechBox**. Follow us

using the links below. And add your own photos using the same hashtag.

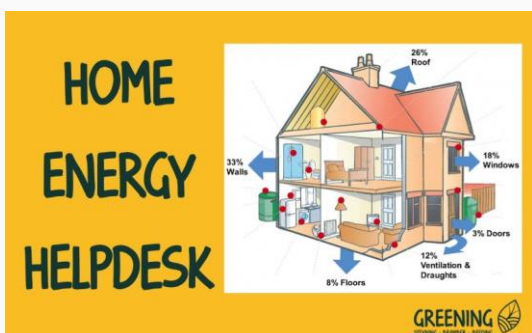

Meet Greening Steyning

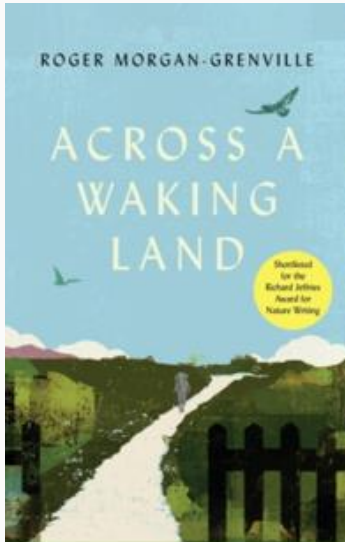

We'll be at the **Friends of Upper Beeding Primary School Fair** on **14th June from 3-5pm** with fun activities for children.

Come and meet us, find out more about what we do, tell us your ideas or see how you can get involved.

Volunteers from our **Home Energy Helpdesk** will be there to offer ideas about how you can reduce energy bills at home, including draught-proofing and insulation. Also information on solar energy or heat pumps, and the current grants which are available.
