

Steyning Community Orchard !! Apple Juicing Time !!

- Apple Juicing in the Orchard.
Sunday 14th Sept 1pm - 4pm

Hello everyone. This is just a quick news item to let you know about our **Apple Juicing** event this year.

Early Spring was great for fruit trees with lots of moisture in the soil and loads of pollinators ensuring a good set of fruit. Unfortunately since then, we've had little rain and high temperatures. This has put the trees under stress, resulting in small fruit with many dropping before they are ripe. Therefore, it looks as though we may not have as many apples as last year for juicing.

So if you have apples in your garden, please do bring them along and we'll turn them into delicious apple juice with you.

Apple Juicing in the Orchard

On Sunday 14th September. 1pm -4pm

We'll be at the Steyning Community Orchard on the Memorial Playing Field (Cricket Field) with 2 sets of apple pressing kit.

So bring along your apples and plastic bottles and (for a small donation) we'll help you press them and turn them into delicious apple juice. We will have recyclable PET 500ml bottles @50p each if you don't have suitable containers.

If you don't have any apples, bring the family along anyway, and help us juice ours. It's great fun! See pictures below from previous juicing events.

We'll be selling any surplus apple juice at the Steyning Farmer's Market on Saturday 4th October.

The next Newsletter will be published in late Autumn 2025
