

Recycling and Waste News

Horsham
District
Council

Food waste collections are coming!

Food waste collections are coming to the Horsham District! We will be adding weekly food waste recycling collections to your bin collections in spring 2026.

Collections are due to start from March 2026 and the exact date will depend on where in Horsham District you live. Your refuse and recycling collections will continue as usual every other week: these new food waste collections are an additional service.

We will be writing to all households in January 2026 about how the service will work and delivering starter packs to all households from February 2026. You will receive a 23-litre grey bin with an orange lockable lid, a 5-litre internal kitchen caddy, an instructional leaflet and a roll of liners to get you started.

Christmas bin collections

There will be no collections on Christmas Day, Boxing Day or New Year's Day. Our crews will be working on Saturday 27 December, Saturday 3 January and Saturday 10 January to catch up. Your waste and recycling collections will be back to the normal schedule from Monday 12 January.

Garden waste collections will be suspended from week commencing 22 December and will resume on 6 January. We will continue to empty all dog bins and litter bins throughout the District during Christmas week.

Click the button below to view your personalised collections calendar or download the Horsham District Council app to get collection reminders straight to your phone,
