Recycling and Waste News

Horsham District Council

Food Waste collections have started across Horsham District

Our food waste collection service have started this week, with areas in the south of the District the first to receive their collection!

We collected more than 11 tonnes of food waste on our first day, Monday 16 March.

Please do not be concerned if you are yet to receive your caddy. We are delivering the caddies in phases and will roll out collections in phases too. Some collections began on Monday, with more collections going live each week until the middle of April.

To check when your collections begin, please refer to the calendar or mobile app.

Read More Online

Our food waste collection service can recycle cooked and uncooked food waste, including:

- meat, fish and shellfish
- dairy products such as cheese and yoghurt
- cooked and uncooked vegetables and fruit including peelings
- bread, cakes and pastries
- rice, pasta and beans
- plate scrapings
- tea bags and coffee grounds
- eggshells
- solid fats

🐶 pet food

🍕 mouldy and out-of-date food

❌ Please do not put non-food products, packaging, oils and liquids, animal waste and bedding or flowers in your caddy. If you put these in, your bin won't be emptied. There is lots of information on our website about the new collection.
