

John Fullbrook

ITEM 6.1.1.

Subject:

FW: Abbey Rd

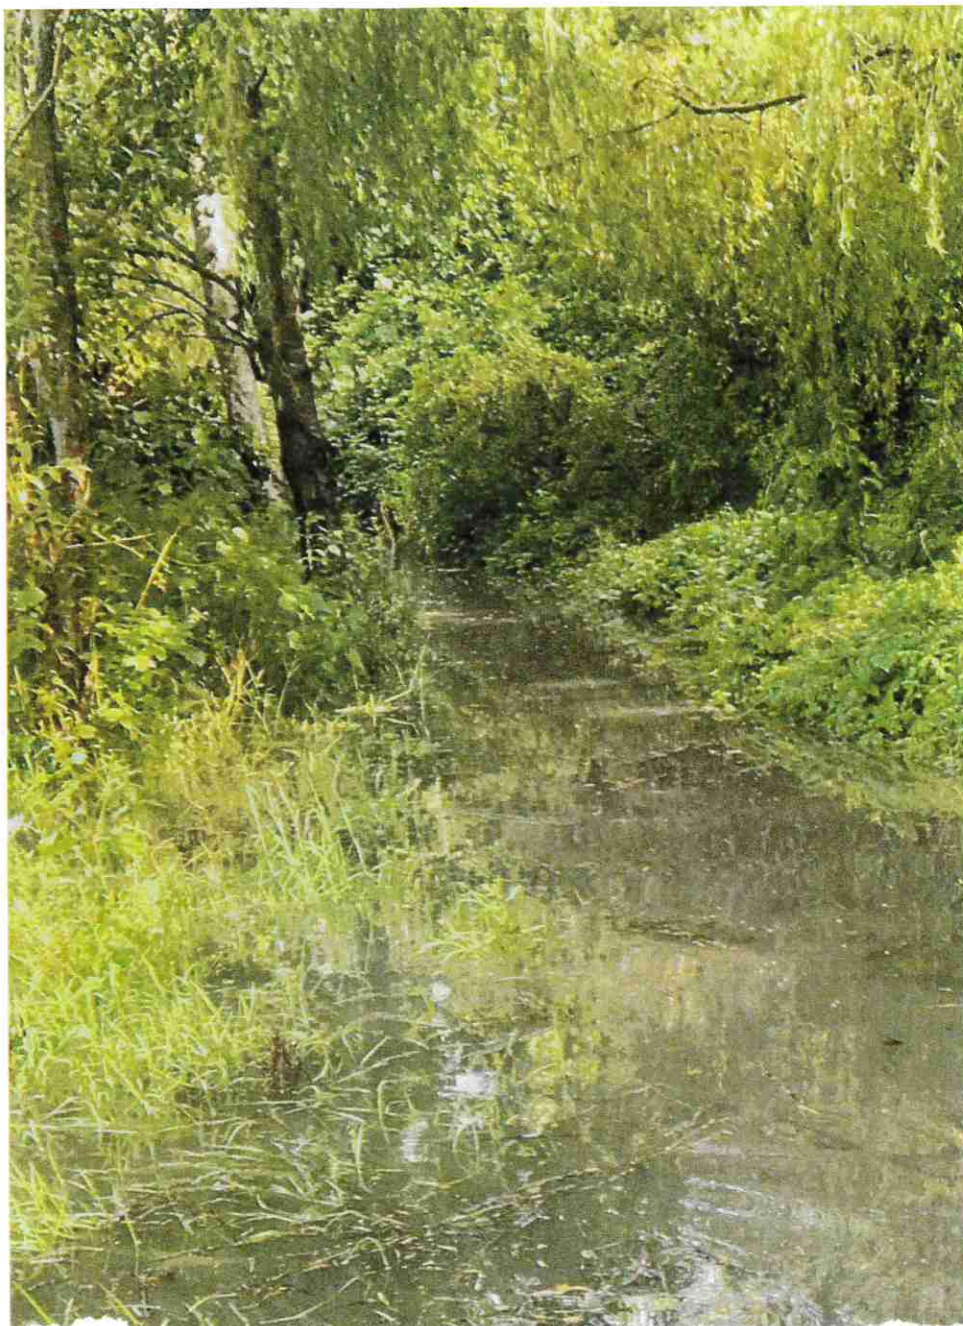

Hello John,

There are several Abbey Rd related things that I'd like on the next Comms Cttee agenda on Sept 7th if they can be fitted in.

I have a date of 27th Aug to get items to you.

1. Report from me on progress since April (my last report for this Cttee) → ITEM 6.1.2.
2. Request the go-ahead with Pond work (scheduled for mid Sept) → ITEM 6.1.3.
[Local contractor Joe Lean has generously agreed to do the work for free. I met him on site last week and will explain the plan here]

Re the Elm tree. Jo and David say it is not quite dead, so wish to wait and see. That's fine. As I said, I'll have a walk around with the Advisory Group in September and get their views about where we might plant some Alder/Black Poplar (both like having their feet in water!)

Regards
Roger.
