Dear Mr Fulbrook

Allocation of Parish Environmental Cleansing Grants

I am writing to update you with regards to the 2025/26 Parish cleansing grants. We will be allocating each parish their respective grants in two payments; one to follow this letter and one in September. This total grant has been calculated using last year's allocation plus 3.8% RPI. The table below indicates your grant last year and the current allocation.

Parish Council: Steyping Parish Council

2025-2026	2026-2027
£25,409.53	<u>£26,375.09</u>

Following an internal review we now require records of how the cleansing grant is used. Please send your statement of how the grant has been spent for 25/26, as well as your proposed allocation of your grant for 26/27 to commercialwaste@horsham.gov.uk by 4th May 2026.

Should you wish to speak to me regarding these grants, or indeed any issue surrounding your litter/cleansing needs, please contact me using the details below.

Yours sincerely,

Laura Parker
Head of Recycling and Waste
