

REPORT FOR STEYNING CENTRE

Bookings

The projected income for July is £4,738.71 and August is £2108.03. Bookings have slowed slightly, which is typical for this time of year. Availability has also been affected by the scheduled sanding and refurbishment of the Coombe Court and Saxon Room floors.

Film Nights

The August screening of *H is for Hawk* was well received, with very positive feedback from the audience. 62 tickets were sold and there was a profit of £55.

The film for September was *The Devil Wears Prada 2* and 37 tickets were sold, resulting in a loss of £91.

The upcoming film for October is *The Tuner* and tickets are on sale now.

The Steyning Centre

Unfortunately, the recently replaced water heater in the ladies' toilets developed a fault. The plumber who carried out the installation was contacted and was unable to source a replacement unit. He has therefore refunded us for all costs as a gesture of good will. The water hygiene provider, TSS, have quoted £1020.38 for a new unit and installation is due to take place on 18th September.

General maintenance and improvement works continue to be undertaken across The Steyning Centre as required.

Caretakers

Mike has been making good use of his gardening experience and has been undertaking gardening and maintenance work at Chandlers Way & the STC Memorial Garden.

Steve has continued with routine inspection and maintenance work across the play areas, addressing issues as required, systematically repainting equipment at 4 of the facilities, and helping to ensure the areas are well maintained.
